TOURS AND TRAVEL

2024 EXTENDED TOURS PROGRAMME

We are again very excited about the coming year's tour programme and looking forward to sharing some fabulous destinations with you. 2023 has been a record year for our family business, taking more people to more locations, around Australia and the globe, than ever before. Importantly, our tours to regional Australia have made a valuable contribution to many towns recovering from the economic impact of Covid.

Apart from some great destinations, we believe the journey is of equal importance and every effort is made to ensure your time with us is truly memorable. We have assembled not just a great range of tours, but also an outstanding team, with wonderful knowledge and experience, dedicated to your enjoyment. **We are also exceptionally pleased to announce Indigo and Evan Penn have joined our team, to help with our expansion and our gradual transition to retirement, which will involve escorting some of our overseas tours.**

2023 has seen more people confident and keen to return to overseas travel and we have partnered with Uniworld to offer some luxury River Cruises, Insight and Trafalgar for tours that combine well with the cruises, Bench for outstanding tours of South Africa and Kenya, Hurtigruten for Antarctic Cruises and Coral Expeditions for a great selection of small ship cruises.

We are passionate about providing quality tours that represent exceptional value. Thank you to our many loyal supporters that have shared so much with us over the last 35 years. Once again we look forward to reacquainting ourselves with lots of old friends and making many new ones in the year ahead. *John and Kerry Dunne*
